

Guidelines for PBLD Submission to CCAS 2023 Annual Meeting

Title: The title should be informative and no more than **20** words.

Moderators: **Two** moderators who are willing and available to participate in the discussion at the meeting must be named along with their official designation, position, and institution.

Please identify **up to five** goals that the learners will be expected to know, do, or value following participation in the case discussion.

Description: Include a short, informative description of the main elements of your case or problem to be discussed in **500 words or less**. Highlight any interesting or enigmatic features that make your submission interesting. The case or problem can be real or fictitious and could focus on topics of interest to those who provide anesthesia, sedation, pain management, and critical care services to infants and children with heart disease, and adults with congenital heart disease, as well as resident education, medical ethics, or professionalism. The goal here is to provide enough information for reviewers in order for them to be able to score your submission accurately for interest, scientific accuracy, and clarity of thought.

Prior

Presentation: If this PBLD was presented previously at ASA, SPA, or CCAS, please note this.

References: Provide **up to five key** references for reviewers and learners that support your case or problem.

Format: Please send your submission via email as **an attached Microsoft Word document** to Jenny Patterson at jenny@societyhq.com.

Deadline: **Friday, July 22, 2022 at 3:00pm Eastern Time.** No later submissions will be considered.
